5. Implementing 2020 Town Plan (Lubell/Loeb)

Lubell referenced the Housing Strategy which is an appendix to the plan (but not currently posted on the website – this will be rectified soon).

In light of the as-yet unknown impacts of covid-19 on housing policy and the community more generally it is necessary to revisit what parts of the strategy should be worked on immediately.

Points covered included:

- Need to develop a marketing campaign around affordable housing
 - Provide input to the rewrite of land use regulations
 - Ensure that the \$45,000 affordable housing fund is moved to the Vermont Community Foundation for management and that a campaign to attract private funds is developed
 - More analysis of how a lack of affordable housing may impact household taxes
- Members agreed to place Housing Strategy work on upcoming agendas

6. Keys to the Valley (tri-RPC housing study)

In response to a question Francis confirmed that the survey was on-line only. He will resend an email invite to the survey to Subcommittee members.
