

Norwich Conservation Commission approved minutes of 17 December 2013

Present: Bill Pierce, Dan Goulet, Craig Layne, Martha Graber, David Hubbard, Steve Gaughan

Absent: David Hobson, Norm Miller, Peter Silberfarb

Commencement 7:10 pm

Minutes of November 19th moved for approval (1st Bill Pierce, 2nd M. Graber), approved unanimously.

S. Gaughan reported on the phase III fluvial geomorphology work on the Ompompanoosuc River. He will ask the environmental consulting group doing the work if they would like to present the project to the commission. He will also ask the group if there is anything further the commission can do to help with the project.

D. Hubbard reported on the trail work planned for field season 2014.

Next NCC meeting is Tuesday, 21 January 2014, 7 pm

Adjournment 7:40 pm

Minutes submitted by C. Layne, secretary
