

Meeting of the Norwich Energy Committee meeting  
Tuesday, 3/22/2016, 7 pm, Tracy Hall

Attending: Linda Gray, Suzanne Leiter, Norm Levy, Rob Sydney  
Guests: Rob Adams (Solaflect), Troy McBride (Norwich Technologies), Jonathan Teller-Elsberg (Solaflect)

#### Updates

- EVCS Request For Bids going out this week, installation likely in May
- weatherization: Linda met w/ Jane Pappas of HEAT Squad, they got a good response to Town Mtg audit discount, raised again our interest in a solarize-style campaign
- legis: renewables siting bill, low-income weatherization funding, response to climate change
- dates:

3/23 SB mtg to appoint Suzanne Leiter to NEC; Jamie Hess moving, will not apply for re-appointment

3/29 info session on carbon pollution pricing in Norwich

4/14 Winning Strategy for Land Use and Sustainable Development,

VLS <http://www.vermontlaw.edu/news-and-events/events/williams-lecture>

4/16 action training on carbon pollution pricing (Barre)

<http://www.energyindependentvt.org/agenda-set-for-statewide-activist-training/>

5/3 UV Energy Roundtable

- draft rule on net-metering: the PSB issued another draft 3-7-16; according to PSB staff, the PSB will file the proposed rule with the Secretary of State in the near future; when the filing is completed, there will be a 30-day comment period. Keep checking the PSB web site for updates on this schedule <http://psb.vermont.gov/statutesrulesandguidelines/proposedrules/rule5100>

#### Solarize Norwich 2016

Discussion of what worked and didn't work, suggestions on new approaches. Consensus to target May-June timeframe again, highlight pending changes to net-metering as an important reason to make solar purchase in 2016.

Agreement to continue discussion and finalize plans at a follow-up meeting on Monday, April 4, 4 pm. Confirmed location is the small conference room in Tracy Hall.
