Dear, John Lawe, Norwich DRB Chair, and Norwich Select Board (Nancy if you could include this in the SB Packet),

Due to increasing business demands, my attendance at DRB meetings is not at an acceptable level to me and places an increased burden on other DRB members.

For these reasons, I have decided to resign, effective immediately.

I look forward to participating again at some point in the future when my schedule is more predictable, and I can fulfill the obligations of the role.

Thank you.
