Subject: Request for material cited at last night's selectboard meeting

To the Norwich Selectboard,

At last night's board meeting, it was disclosed that the now-public, undated, unattributed document, "Legal Questions regarding Town Manager's Contract" was compiled from sources that included written input from selectboard members, input that is not yet in the public record.

This is to request that any written input that has not yet been included in a selectboard packet, be included under correspondence at the earliest available opportunity.

While this material is subject to disclosure under the Vermont Public Records Law (see: <https://www.sec.state.vt.us/media/27740/PublicRecordsLaw.pdf>), consider this to be a friendly request to complete the public disclosure of the deliberations that resulted in the above document.

Sincerely, Steve F.

Stephen Flanders, Member of the Norwich Selectboard
317 Hopson Road
Norwich, Vermont 05055

802-649-1134 (Home)

Any response or reply to this electronic message may be subject to the Vermont Public Records Act. Any views expressed in this e-mail are mine and may not reflect those of the board. Vermont statutes confer no special powers to individual selectboard members. Statutory selectboard powers arise from actions of the body at warned, public meetings with a few exceptions.
