

MEMO TO : NORWICH SELECT BOARD

RE : LEGAL QUESTIONS

Dan's and Linda's legal questions for the select Board record.

By my understanding our
TM contract & uses at will
Lately the TM quoted it
to be at cause when
did this change and
why?

Contract questions

At our meeting TM said he was "for cause"
(Is this true?) Is he for cause?)

Review Pete Webster's contract +
additional alterations made by
select board motions + recorded
in the minutes,

(Is this a contract?)

If no written formal contract
will the existing terms continue
as they have been?
