
OFFICE OF THE TOWN MANAGER

TO: SELECTBOARD
FROM: PETE WEBSTER, TOWN MANAGER
SUBJECT: TOWN MANAGER'S REPORT
DATE: MAY 20, 2009

This report will be relatively brief, as I took a couple vacation days last week to attend the Dartmouth Alumni Council semi-annual meeting, and the next two days I'll be chairing our annual spring VTCMA conference up at Lake Morey.

- Finished up the annual personnel evaluations for all department heads.
- Met with a number of residents to discuss various issues.
- Met with Andy and Jake Blum to tour several issue trees that Scooter Hardy has been greatly concerned over—Jake doesn't have the budget to take all three down, but hopes to work with Green Mtn. Power and get them to absorb the costs.
- Met with Ames Byrd, Alan Berolzheimer and the Energy Committee, along with a representative of ReKnew Energy Systems (a solar energy company) and Josh Castonguay from Green Mtn. Power to assess a couple of potential solar sites.
- Had a long session with Jim Kenyon and Dennis Kaufman and Gerard Chapdelaine, to 'help' Jim with a commentary that he will be writing for his paper about the Bragg Hill lawsuit.
- Had a lengthy conference call with the VTCMA board about our organization's code of ethics and the upcoming spring conference agenda
- Met with the GR Porter guys numerous times concerning details of the bandstand—color and type of shingles, decking, etc etc.

That's about it for this abbreviated week. I will be available by cell phone the next two days at the Lake Morey Resort—(802) 356-1239, if needed.

Sincerely,

Pete
