

Survey: Swimming Access in Norwich

The Town of Norwich Selectboard recently established a committee to explore a replacement to the old Norwich Pool that was destroyed by Tropical Storm Irene in 2011. The Committee's charge is to "make recommendations to the Selectboard regarding options for providing swimming access to Town residents, including established swimming sites and the development of one or more new sites, readily accessible to townspeople."

To help inform the Committee's work, the public is invited to complete a short survey available electronically [here](https://www.surveymonkey.com/r/3WWQZFN) <https://www.surveymonkey.com/r/3WWQZFN> and in hard copy at Tracy Hall and the Norwich Public Library. The survey closes on Monday, September 12th at noon.

Thank you.
