

At 3:30 PM on Thursday October 6, 2016, the Milton Frye Nature Area Committee is to meet in the Marion Cross School Library.

Prospective items for the agenda include 1) additional input on forestry management plan, 2) preparation of annual report, 3) update on children's mountain bike training lessons on nature area trails in cooperation with the Recreation Department, 3) potential revision updating the overall management plan associated with the conservation easement, 4) update on the educational structure, 5) update on control of invasive plants, 6) status of arrangements for canine cleanup, 7) report on trail conditions, and 8) any new business.

The Milton Frye Nature Area Committee provides review and planning for maintenance and use of the Norwich nature area as well as for educational programs and other public services highlighting the notable resources of that area. Additionally, the committee conducts work sessions to maintain the nature area. Members of the public are cordially invited to attend and participate in the meetings and work sessions of this committee. The committee very much welcomes new members.
