

Public Forum #1 – Pool Options Committee
Tuesday, September, 13 2016, 7:00pm
Tracy Hall, Norwich, VT

Committee Members Present:

Anne Goodrich, Chair
Jim Gold, Vice-Chair
Gered Dunne
Jerry Ireland
Rob Johnson
Mark Lilienthal
Carl Tracy

Committee Members Absent:

None

Public in attendance: 11

1. Anne Goodrich conducted power point presentation
2. Opened the floor to Public comments

Public comments:

- "Will we put out a correlated list of swimming locations with the features at those locations listed"?
- "Love the old swimming hole. Used to swim after 5p.m at Storrs Pond due to the cost. When we spoke of Huntley did we mean a chlorinated swimming pool"?
- "Another feature to take into account is access to exercise (walk, jog, bike etc.)"
- In regards to Ompompanoosuc boat launch. "Not suitable for swimming. Breeding ground for duck itch"
- "If on old site, how would be recreate pool?"
- Temperature of old Norwich pool mentioned as something to take into account.
- Bike access as means of importance.
- "Will we rule anything out based on interest?"
- "What is our timeline to start construction?"
- "Would it be possible to move timeline forward to get in front of Selectboard sooner? Could others help out to accelerate the process?"
- "Will the PowerPoint presentation be available on the town website? Can it be put on the Listserve?"
- In the survey is "OK" the same as "Neutral"?

Public Forum meeting adjourned around 7:35 p.m.

Respectfully Submitted, Rob Johnson
