Bill Krajeski provided the Listers with a list of about 155 proposed assessment changes for 2017. The number of changes will grow as some outstanding items are taken care of. Bill Krajeski said that the remaining work on the section of the cyclical reinspection process due in 2016-17 would be completed by July 1<sup>st</sup>, and that he would keep the Listers updated.

### **6. Discussion of Assessor Contract**

There have been no developments since the last meeting.

### **7. Any Other Business**

Lindberg noted that some of the previously requested changes have now been made to the Town website. She requested that this subject be on a future agenda.
