

The next Norwich Energy Committee meeting is Thursday, 12/21, 7 pm, in Tracy Hall.

The agenda includes:

- resolution for Norwich to join the Vt Climate Pledge Coalition
- planning a 2nd round of Weatherize in 2018
- ?collaborate on NHS talk 1/21 "Energy Retrofits for Old Houses"?
- enhanced energy planning with TRORC (next meeting = 1/2/18)
- review programs that offer clean electricity through purchase of RECs
- other updates, ideas, suggestions

NOTE: there will be a community forum about the ESSEX Plan, which would cut carbon pollution and deliver Vermonters the cleanest electricity at the lowest costs in the region. Monday, December 18, 5:30-7 pm at the Norwich Public Library
