Norwich Fire District

APPROXIMATE
DECLINATION, 2007

The Norwich Fire District Lands comprise 917 acres of working forest. The land is designated as a backup watershed to supply fire suppression and fresh drinking water to the Town of Norwich. The Fire District land is open to the public and is actively managed to maintain the watershed's health.

The Trails Committee, the Town of Norwich and GIS/GPS Mapping shall have no liability for any decisions or actions taken in reliance upon the information or lack of information in this map. This map is not a survey. To volunteer for trail maintenance call (802) 649-1048. For map related comments, email j.frishtick@gmail.com

When hiking, always bring a compass and know how to use it. All trails are open to the public for hunting during Vermont hunting season. Pets are welcome when in your control. Please pick-up after your dog. Carry in; carry out all refuse. Inspect trailhead signboards for current information about conditions and requests about use. Please observe mud season closings.

Data Sources: Vermont Center for Geographic Information (VCGI); Pete Fellows, Two Rivers-Ottawaquechee Regional Commission; Phil Dechert, Norwich Planning Office; Mark Goodwin, Upper Valley Trails Alliance; and GPS data collection by George Clark, Jonathan Frishtick, David Hubbard, Stephanie McCaull, Elisabeth Russell, Jack Taylor and many other volunteers using a Garmin GPS Map76S with an external antennae.
