4. SUPERVISORY CONTROLS

- 4.1 The Town Manager assigns work in terms of department goals and objectives. The manager reviews work through meetings, reports, and observation of department activities.

5. GUIDELINES

- 5.1 Guidelines include state and federal occupational and health safety standards, the Manual of Uniform Traffic Control Devices, Vermont State Agency of Transportation road and bridge standards (including those of the town), and department and town policies and procedures. These guidelines require judgment, selection and interpretation in application. This position develops department guidelines.

6. COMPLEXITY/SCOPE OF WORK

- 6.1 The work consists of varied management and public works maintenance duties. Inclement weather contributes to the complexity of the position.
- 6.2 The purpose of this position is to direct the operations of the Public Works Department. Success in this position contributes to safe and well maintained roadways and infrastructure.

7. CONTACTS

- 7.1 Contacts are typically with the Town Manager, department heads, co-workers, members of the local union, representatives of state and federal agencies, elected and appointed officials, vendors, contractors, engineers, and members of the general public.
- 7.2 Contacts are typically to provide services, to give or exchange information, to resolve problems, or to motivate or influence persons.

8. PHYSICAL DEMANDS/ WORK ENVIRONMENT

- 8.1 The work is typically performed while sitting at a desk or table or while intermittently sitting, standing, walking, bending, crouching, or stooping. The employee occasionally lifts light and heavy objects, uses tools or equipment requiring a high degree of dexterity, distinguishes between shades of color, and utilizes the sense of smell.
- 8.2 The work is typically performed in an office and in the field, occasionally in cold or inclement weather. The employee is exposed to noise, dust, dirt, grease, and machinery with moving parts. The work requires the use of protective devices such as masks, goggles, gloves, etc.
- 8.3 The administrative work related to the department is expected to be accomplished by the Director. However, administrative staff assistance may be available to the position, at least during certain times of the year (e.g., development of the department budget).

9. SUPERVISORY AND MANAGEMENT RESPONSIBILITY

- 9.1 This position has direct supervision over union and non-union employees, including but not necessarily limited to, Working Foreman (1), Equipment Operators (3), Equipment Operator/Mechanic (1), Building and Grounds Technician (1), Building Maintenance Custodian (1), Lead Transfer Station Attendant (1), and Administrative Assistant (1).

10. MINIMUM QUALIFICATIONS

- 10.1 Knowledge and level of competency commonly associated with the completion of a baccalaureate degree in a course of study related to the occupational field.
- 10.2 Experience sufficient to thoroughly understand the diverse objectives and functions of the subunits in the division/department to direct and coordinate work within the division/department, usually interpreted to require 3-5 years of related experience.
- 10.3 Possession of or ability to readily obtain a valid driver's license issued by the State of Vermont for the type of vehicle or equipment operated, including a CDL and its requirements (e.g., random drug & alcohol testing).

Approved: 
Rod Francis,
Interim Town Manager

Effective Date: October 14, 2021
