

DRAFT MINUTES, Article 36 Task Force regular meeting, 12/23/21

The Article 36 Task Force convened briefly for its regularly scheduled meeting, then adjourned.

Three members were present by Zoom or in person at Tracy Hall: Jack Cushman, Aaron Lamperti, and Ernie Ciccotelli.

One member of the public was present by phone: Linda Cook.

Although a quorum was present, we operate by consensus and prefer full attendance, and we had various other minor Zoom difficulties in operating a meeting smoothly; with holidays, we think some interested members of the public might have chosen not to attend or been unable to do so.

Therefore we agreed by consensus to conduct no business. We will attempt to hold a special meeting in mid January to continue drafting our report to the Selectboard.

We adjourned after a few minutes with no substantive discussion and no decisions or actions.
