Subject: Request for police funding warrant

Selectboard members,

We are writing to clarify a suggestion we made at the January 4th Selectboard meeting during the public comment period on the budget. The board has made it clear that you are concerned with the size of the budget. Specifically, Roger and Aaron have been watching the percent increase in spending relative to last year. These are valid concerns and we understand and appreciate the difficult task when so many costs such as healthcare and commodities have risen.

Our request, given the outpouring of support for fully funding Chief Cochran's requested budget, is that you let the voters decide if they're willing to incur additional taxes in order to restore services. We ask that you formulate an appropriately sized and worded warrant article that asks the voters if they want to allocate additional funding in the amount equal to the difference between your final budget recommendation and the total that the Chief has requested. We understand that if the voters choose to vote for such a warrant article, the actual use of funds is still at the discretion of the Selectboard and Town Manager and expect the article to be clear on this matter.

Aaron noted during the meeting that the folks usually calling for smaller budgets have not been vocal and Rob was inclined to let the voters decide if they're willing to spend additional money this year. We believe this is the right direction to take. Given the challenges we've had in town with staffing, among elected officials who are volunteering their time, and residents who must ultimately pay for and benefit from services, we believe it's only appropriate to let the voters decide how much they want to fund rebuilding the NPD.

Respectfully,
Omer Trajman and Manu Tesone

Subject: Letter regarding Norwich Select board Budget meeting on 1/4/2023

Letter to the Norwich Selectboard

Dear Selectboard:

It is my sincere hope that the Norwich SelectBoard took the opportunity to listen to all of the comments, letters and posts that have been presented over the past few months by the concerned citizens of Norwich.

Recently, there have been several incidents that might make you want to re-think the strategic decisions you are about to make.

Those who have voiced their concerns are not troublemakers nor are they trying to make Norwich a toxic community. They simply want the basic services restored and to get what they pay for with their tax dollars.

A lot of money has been saved these last few months because of vacant positions.

I ask you to please consider taking some of the funds that are sitting in designated and undesignated reserve funds and use them wisely to:

1. Allow the police chief the opportunity to give the Norwich residents 24/7 police coverage.
2. Pay the fair market value salary to someone who is interested in working here so that we get what we pay for and not have to revisit yet another vacant position because someone left.

It is my understanding that Norwich is going to receive up to \$ 750,000. In funds from the American Recovery Act

The VLCT website lists how those funds can be utilized: <https://www.vlct.org/american-rescue-plan-act%C2%A0>

One of those listed is offering premium pay to essential workers

Once those funds are received some of those can be used to replenish the accounts that you borrowed from.

Hire the best and not settle for someone who may leave once fully trained. This is not limited to the police department and should be applied to all departments.

In conclusion, you, the select board, are the ones who have weathered the storm over the last few months, but as a unanimous group, you can make the right decisions that will turn the ship around and give Norwich the calm that we have had for many years once again.

Thanks for letting me express my views.

MEMORANDUM

TO: Selectboard Members
FROM: Marcia Calloway
DATE: January 17, 2023
RE: Town Moderator

Background: Our town moderator withdrew from the position last year. At town meeting in 2022, no name was on the ballot and there were apparently an insufficient number of write-in votes. A Moderator is required to conduct the business meeting on the night before town voting. Therefore, even if a Moderator is on the ballot, there will not be elected Moderator on the night of town meeting.

Possible solutions:

1. "...the selectboard can appoint a voter to be a moderator at this point."¹ Two statutes indicate this is possible.

- a. **17 V.S.A. § 963** refers to vacancies in "any town office,"

“(a) When a vacancy occurs in any town office, the selectboard forthwith by appointment in writing shall fill such vacancy until an election is had; ...”

- b. **17 V.S.A. § 2682(d)**, in the Elections title, is generic in scope i.e. not specifically addressing the role of moderator.

"In the event no person files a petition for an office that is to be filled at the annual or special meeting of a municipality, and if no person is otherwise elected to fill the office, a majority of the legislative body of the municipality may appoint a voter of the municipality to fill the office until the next annual meeting."

2. At the town meeting, the voters present at the floor meeting may elect a temporary moderator to run the meeting.

- a. **17 V.S.A. § 2657 Moderator**

" A municipal meeting shall be called to order by the moderator, or in his or her absence by a selectboard member who shall preside until a moderator pro tempore is chosen. (Added 1977, No. 269 (Adj. Sess.), § 1.)"

MEMORANDUM

TO: Selectboard Members DATE: January 17, 2023
FROM: Marcia Calloway
RE: Land Management Council Request for Funds Held in Reserve Fund

At its January 11, 2023 meeting, selectboard members questioned a request for release of Reserve Funds by the Land Management Council, also known as the Watershed Land Management Council, and hereinafter referred to as "LMC."

HISTORY

- 2010 Town Report -- David Hubbard first appears as Chair of the LMC.
2016 Town Report -- page I-3 under Appointed Officials, the LMC members are:

Watershed Land Management Council
Sandra Haskell2017
David Hubbard, Chair 2019
Lee Michaelides 2019

- 2021 Town Report
o Page I-3 lists three (3) members of the "Watershed Land Management Council" with terms expiring in 2022:
Will Haslett 2022
Byron Haynes 2022
David Hubbard, Chair 2022
o Page II-12 shows the LMC report:
"The Land Management Council manages the lands of the Fire District, encompassing 917 acres in six parcels within the Charles Brown drainage. Our mission is to manage this land for recreation, wildlife habitat (flora & fauna) and forest timber resources. The Parcel 5 Loop Trail and the Ballard, Brown Schoolhouse and Connector trails all transit these parcels."
o Page I-31 shows the LMC Reserve Fund 24 with a FY23 Projected Balance of \$16,700.

EXPENDITURE FROM LMC DESIGNATED FUNDS

- March 24, 2010 Selectboard meeting
o Selectboard voted to expend up to \$1,200 for a preliminary review of the entire Fire District, leaving the fund with a balance of "approximately \$4,409.30."
"6. Request to Expend Designated Funds from Land Management Council Fund to have Paul Harwood do a Preliminary Review of the Fire District Land (Discussion/Action Item). Adams briefly discussed. After some discussion, Lupien moved (2nd Bagnato) to approve the use of up to \$1,200 to have Paul Harwood do a preliminary review of the entire Fire District Land from the Land Management Council Fund. Motion passed. The new Land Management Council Fund balance will be approximately \$4,409.30"

SUMMARY

The tenor of the Town Reports is that the LMC is/was considered a "town" council doing work for the benefit of the town, and with its own Reserve Funds for that work. Based on the recorded history:

- The selectboard should forthwith make appointments for the expiring 2022 terms of its two LMC members.
o From the 2016 and 2021 Town Reports, it looks like those appointments should be for three-year terms.
The selectboard should take up the request for release of funds for the proposed land management plan, as requested by the LMC.
The selectboard and Prudential Committee should review the agreement which was to have been reviewed annually according to the 2001 Amended-Restated LMC Agreement.
