

Consultant Engineering Services for Hemlock Road Slope Failure

Department of Public Works, Town of Norwich Vermont

Addendum No. 1

August 15, 2023

Question:

With regard to your solicitation for evaluation and repair design of the slope on Hemlock Road, is the prior investigation information available for us to review and will the current consultant be eligible to submit a proposal (if this is a qualification-based selection) for this phase of the project?

Answer:

Yes, the prior investigation(s) can be made available upon request. Yes, the consultant that performed the initial investigation is eligible to submit a proposal.
