(Page numbers 139-140 are numbered twice; these duplicate pages have a different document. Page 141-142 are not duplicated but also have another document. There are no page numbers 143-144. Double numbering for page 145-146; the second set of duplicates are listed here as 145a and 146b. Following is the sequence of page numbers. In order to get them into some sort of order, new numbers have been pencilled in.

147, 148, 149, 150, 151a, 151b, 151c, 151d, 151e, 151f,
152, 153, 154, 153a, 154b, 155, 156, 157, 158, 159, 160,
(161-162 has different document) 163, 164, 165, 166

On the pages on the left side are listed the Proprietors of Norwich showing what land they received by the several divisions and allotments. The Proprietors will be recognized by the words "right of" after the name. On the opposite page is

the record of what happened to those lands and who purchased them. The record on the right lines up with the record on the left. In the spelling of the names, the form generally used is the one used.
