

MINUTES OF THE NORWICH CEMETERY COMMISSION
August 17, 2023

Members present: Dan Goulet, Wilbert "Scooter" Hardy, Emily Myers and Bonnie Munday. Guests present: Aiden Powell

- 1.) The meeting was called to order at 11:25 am in the Norwich Congregational Church Parish Hall.

- 2.) Earlier this summer, Aiden Powell contacted and submitted a written plan to the commission about the possibility of repairing a portion of the Fairview Cemetery fence as part of his Eagle Scout community project. The commission is supportive of this project but before any approval is given to start this project, Aiden needs to be able to provide a proof of insurance (certificate - provided by the Boy Scouts Association). Once he is able to produce this certificate the commission will meet again at a special meeting to make a final decision.

3. No other business that come before the Cemetery Commissioners. Expected next meeting on September 18th.

Respectfully submitted,

Emily P. Myers, Cemetery Commission member
