

Wondering what to recycle?

There's a new app for that!

Exciting news for Norwich residents!

The Norwich Transfer Station has a new recycling education app! We wanted our residents to have a one-stop-shop to find answers to all of your recycle questions. We teamed up with the Betterbin app to do just that. You'll be able to scan a product UPC barcode or text search for a product to get Norwich Transfer Station-specific recycle instructions. Note that if you have a curbside recycling service, your recycling instructions may not be the same as the Transfer Station.

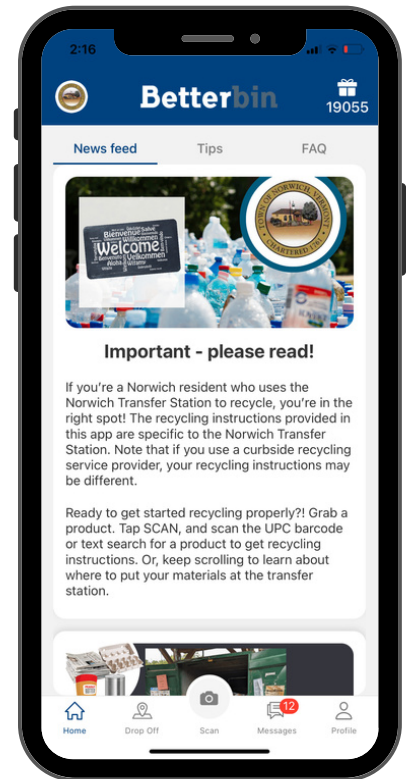

How do I get to the app?

Scan this QR code, or go to the App Store or Google Play and search for Betterbin. Once you're in the app, create an account. Then tap "Recycle" and search for Windsor County >> Norwich, Vermont - Transfer Station. The app will load your local Norwich Transfer Station recycle instructions.

Questions?

Contact: Michelle at mgoetsch@betterbin.app

STEP 1

Grab a brand-specific product.

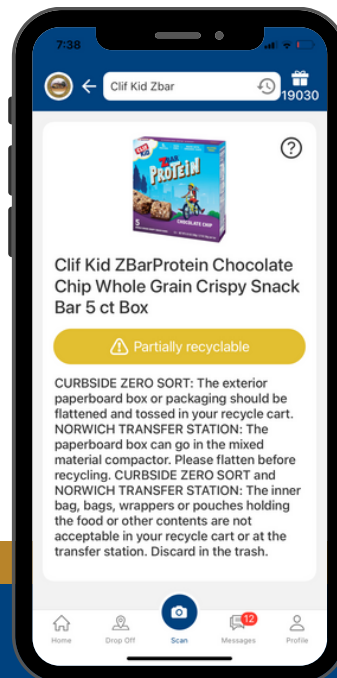

STEP 2

Scan the product UPC barcode, or text search for the product.

STEP 3

Retrieve LOCAL recycle or other disposal instructions.

STEP 4

Earn points redeemed as gift cards to popular stores!
