

Norwich Multi-Modal Transportation Subcommittee Minutes -1/9/24

Members Present: Jeff Goodrich, Vince Crow

Public: Rob Gere

Meeting Opened: 10:30am

1. Approve Agenda:

The group had consensus to approve the agenda.

2. Correspondence

3. Discussion of a 6-month plan for the group

The group discussed creating a Multimodal Transportation Master Plan involving an inventory of current sidewalks and bike lanes, recommendations for areas of improvements and maintenance, potential intertown connections and suggested regulations to improve safety, which will be presented to the Planning Commission for approval.

Minutes by Vince Crow on 1/12/24
