

Norwich Conservation Commission draft minutes of 17 February 2015

Present: Craig Layne, David Hubbard, David Hobson, Bill Pierce, Jennifer Gilrich

Absent: Martha Graber, Norm Miller, Peter Silberfarb, a ninth member

Public Present: Doug Hardy

Commencement 7:10 pm

January minutes moved for approval by B. Pierce (D. Hopson second), approved unanimously.

C. Layne reviewed the topic for the annual UVLT CC gathering. J. Gilrich, D. Hubbard and C. Layne may attend.

D. Hubbard reported on the Management Plan for the Peisch property and the options for mowing the meadow. The consensus is that the commission would rather help pay for a town-contracted service, rather than help to buy equipment. The commission is inclined to contribute a set amount per year for mowing with the frequency and timing of the mowing set by the Nature Area Committee.

The blue ribbon trail was further discussed.

Next NCC meeting is Tuesday, 17 March 2015, 7 pm
