

Norwich Conservation Commission Meeting  
Draft Minutes  
January 15, 2019

In attendance: Lynwood Andrews, Courtney Dragiff, David Hobson, Craig Layne, Mary Sellmann

Absent: David Hubbard, Chris Rimmer, Norm Miller, Brie Swenson

Public: Brian Riordan

Commencement: 7:08pm

Approval of December minutes was moved by Lynwood Andrews, seconded by Mary Sellmann, and approved unanimously.

Brian Riordan presented maps and spatial data for recreational trails and conservation attributes in Norwich. The commission followed the presentation with a discussion about developing a methodology for identifying and addressing conservation attributes during the trail planning process.

The commission discussed ways to improve recycling and minimize waste streams in Norwich.

Lynwood Andrews reported on recent developments in the solar energy sector in the Upper Valley and the status of the Norwich town plan.

Craig Layne reminded the commission about the Japanese knotweed event at the Montshire Museum on January 24, 2019.

Meeting adjourned at 9:24pm.
