

UTILITIES, FACILITIES & SERVICES

OBJECTIVE	TEXT	FIGURE/MAP
1. Provide the utilities and facilities necessary for the continued growth of Norwich		
2. Extend access to cellular phone and high speed internet		
3. Ensure civic buildings and facilities are exemplars of energy efficient design and operation		
4. Meet the town's obligations under the Clean Water Act (Act 64)		
POLICIES		
1. Continue to ensure the town's recreation program provides quality experiences for all Norwich families		
2. Support the provision of quality, affordable childcare and education services so Norwich will remain an attractive community for families		
ACTIONS		
1. Maintain a capital improvement program that is aligned with the goals and objectives of this plan, and meets the needs of a community addressing climate change and resilience		
2. Implement stormwater practices and projects to meet Act 64 standards		
3. Work with the school district to achieve maximum feasible utilization of education facilities and programs
