

MEETING MINUTES
NORWICH CEMETERY COMMISSIONERS
May 6, 2025 at 9:30 AM

Members Present: Alix Manny, Bonnie Munday, Emily Myers and Ellen Terie

Member Absent: Dan Goulet

1.) This was an informal site-visit meeting that started when all members were present at the Union Village Cemetery at 9:30 am.

2.) Main purpose of this meeting was to walk the perimeter of the Union Village Cemetery.

This served three purposes.

- First to observe the severity of encroaching brush and precarious trees on the fence line. The Commission took note of the need from brush and tree removal and will discuss a priority plan at the next meeting.

- Second to understand the property line of the cemetery and the neighboring properties. It was a good perspective to walk the actual property line.

- Third to review the overall maintenance need of the cemetery. The commission took note of several fallen headstones that will need to be stood up.

3.) Meeting was adjourned 10:30 am.
