Town of Norwich, Vermont

Logging Permit

This permit certifies that _____, of _____, has permission to operate and use heavy equipment on _____.

This permit must be signed by the permittee and town official (designated by the Town Manager). The permittee agrees to abide by the terms of this permit and to pay for any damage done to the town highways from the entering and exiting of heavy equipment.

Conditions and restrictions: Timber Harvesting BMPs must be followed as defined under 10 VT Statutes § 2622.

Acceptable management practices for logging must:

- Prevent sediment, petroleum, and woody debris from entering waterways.
- Improve soil health and protect aquatic habitat.
- Minimize erosion and maintain natural water temperature.
