Cemetery Commission Meeting Minutes

The Norwich Cemetery Commissioners met on October 22, 2026 at 9:30 a.m. in the Parlor at the Norwich Congregational Church. Present: Bob Bristol, Dan Goulet, Alix Manny Absent: Ellen Terie, Bob Pitiger

1. Approve agenda - Motion unanimous

2. Update from Treasurer - No update as Bob P couldn't attend

3. Fairview shed and Hillside storage building - Fairview shed demolition and removal is waiting for a break in Webster & Donovan's schedule. Dan is meeting with Eamon Donovan soon.

4. Cemetery sign status - The new signs have been installed at both Hillside and Union Village cemeteries.

5. Update on disconnecting water service - Dan is meeting with Eamon Donovan soon.

6. Update on latest burial and plot purchase inquiries - We hope to have caught up with any outstanding transactions that were missed during the transition from previous Commission members to current. There have been several inquiries into the purchase of plots in Hillside as well as some research requests and burial plot confirmations.

7. Union Village cemetery maintenance update - Cemetery Solutions has finished their work for this year repairing headstones in Union Village cemetery. We've had no luck following up with John Pelky r.e. removing trees, so Bob B and Alix will contact two new tree removal companies and try to get quotes.

8. Hillside cemetery paving - The commission needs to look into getting quotes to pave the two steep roads within the new section at Hillside that isn't yet open to burials.

9. Lion's Club Grant - No update as Ellen couldn't attend.

10. Motion to adjourn at 9:43 approved unanimously.

Norwich Cemetery Commission

Next meeting December 15 10:00 a.m. at the Norwich Congregational Church
